## Life OF THE PARTY

The **Life of the Party** program was built with one purpose: to celebrate our party people! These are the Consultants who eat, sleep, and breathe **Paparazzi pink**. They thrive on feeding their customers' \$5 habits and seem to leave a trail of bling everywhere they go. They are hard at work building booming retail empires by partying for a living every chance they get. You can watch their eyes light up as they **share their obsession** with anyone who will listen, and they absolutely thrive on the fun that fuels **Paparazzi**.

When you become the **Life of the Party**, it is evident that you know how to work a room. You know how to make your guests feel like the stars of the show. You are warm, inviting, contagious, spunky, and fun – **and you are changing the world \$5 at a time**.

To celebrate **Paparazzi's** ultimate party animals, we have created five levels of access within the **Life of the Party** program: **Bronze, Silver, Gold, Platinum and Diamond**. Each level of access receives some incredible perks!
